OVERVIEW

Kevin R. O'Neill concentrates his practice in civil litigation, with experience handling a wide variety of matters, including those grounded in personal injury, property damage, insurance coverage, employment law, antitrust, and contract. He has particular experience representing insurance companies to recover in subrogation for the proper damage claims of their insureds. His experience includes all stages of litigation, including pre-suit negotiation and settlement, mediation and arbitration, discovery and dispositive motion practice, and trial. He also has experience prosecuting appeals.
