

WEBINAR ON MANDATORY NYS CYBERSECURITY REGULATIONS

Is Your Strategy in Place to Meet the NYS DFS Regulation?

Understanding New York State's required cybersecurity policies and procedures, how these new regulations apply to you, and what you need to do to become compliant can all be confusing and overwhelming. To help you through this process, Citrin Cooperman and Walker Wilcox Matousek LLP hosted an informational webinar to walk you through the complexities of this new regulation.

Key questions answered, include:

- What's required under the new regulation?
- Does this new regulation apply to you?
- How will you comply with this new regulation?
- What are the consequences of not complying?

If you are a financial services company or individual regulated, licensed, or supervised by the New York State Department of Financial Services and have questions or concerns about complying with this new regulation, don't miss this webinar.
