OVERVIEW

Izabella focuses her practice on insurance coverage and defense litigation. She represents clients in bad faith litigation, complex coverage, first-party property, commercial general liability, professional liability, and tort matters. Prior to joining the firm in 2025, Izabella gained valuable litigation experience at a mid-size Chicago insurance firm where she handled a variety of insurance coverage and direct defense of tort matters.

While attending law school, Izabella clerked at a divorce and family law firm, developing practical skills in client advocacy. She was also a member of the Moot Court program, competing as an oralist on the National Child Welfare and Adoption Law and National Moot Court Competition teams. Before moving to Chicago for law school, Izabella earned her undergraduate degree at the University of San Diego. When she's not working, Izabella enjoys reading a good book, walking with her dog, and attending live music and art performances.
