Dear Ms. Roosth:

Thank you for the recent gift of \$900.00 to the Houston Food Bank. The generosity of ensures we are able to continue providing needed food to hungry families, children and seniors now and throughout the year.

We understand and value the importance of corporate social opportunities that enable companies like yours to truly improve the quality of life in communities in which you operate and your employees live and serve. Not only is it the right thing to do but it also leaves a lasting impact on the lives of many. On a typical night in Houston there are more than 66,000 individuals who go to sleep not knowing where they will get their next meal. For every dollar given the Houston Food Bank is able to turn it into three meals.

Please pass on our appreciation to all your employees who played a direct and indirect part in making this gift possible. We look forward to working with you again in the future through other volunteering and collaboration efforts. Please feel free to contact us anytime.

Gratefully,

Brian Greene
President & CEO
