Dear Mr. McColgan,

On behalf of the YMCA of Metro Chicago, I want to thank you and your colleagues for returning to volunteer at one of the monthly Produce Days conducted by the Y Community School Program at Libby Elementary School in collaboration with the Greater Chicago Food Depository. Your energy, enthusiasm and compassion helped us create a warm and welcoming environment for the hundreds of Washington Park/Englewood low-income seniors and families who received the donated produce and other fresh food items. Volunteer support from groups such as yours is crucial to our efforts to address hunger and malnourishment in this disadvantaged community.

The Y is a powerful association of men, women and children joined together by a shared commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility. We believe that lasting personal and social change comes about when we all work together to invest in our kids, our health and our neighbors. Every day, we work side-by-side with community partners like Walker Wilcox Matousek to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

Please convey our appreciation to all the Walker Wilcox Matousek volunteers who participated in the Produce Day with the Y Community School Program at Libby Elementary School. We look forward to future opportunities to work with you in ways that support and strengthen our vital, community-based YMCA programs and services.

Sincerely,

Linda Dean
