Dear Mr. McColgan,

Last month marked the *eighth* anniversary of your volunteer partnership with the Produce Days hosted by the Y Community School Program at Libby Elementary School! Your steadfast commitment is so amazing – in fact, I think we can say it's priceless. We are so grateful for all you've done over these eight years, and are hopeful that you will continue to partner with us for the next eight years...or eighteen years...or however long these efforts to address poor nutrition and food insecurity are needed.

We realize how fortunate we are for the energy, caring and compassion WWM volunteers bring to the Produce Day events each May and October. Your volunteer support strengthens our efforts to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive through YMCA programs and services that nurture the potential of kids, promote healthy living, and foster a sense of social responsibility.

Please convey our appreciation to all the Walker Wilcox Matousek volunteers who assisted with the May Produce Day with the Y Community School Program at Libby Elementary School. We look forward to partnering with you again in October. Enjoy the summer!

Sincerely,

Linda Dean
Director of Volunteerism
